To the editors,  
I cannot believe I just saw  
Sylvia Saint in your book.  
She has been one of my  
all-time favorite ladies and  
to see her again after a few  
years is incredible. And the  
babe she is with is just a  
stunner, too. It's really hot  
to watch two truly beauti-  
ful women fuck each other.  
Along with their beautiful  
faces are their perfect bod-  
ies, all smooth shaven and  
just down-right pretty. Where  
else can you see such pretty  
pussies and pretty faces  
licking the. Thank you once  
again.

### PARTY OVER? NOT QUITE!

It's early February and the football playoffs have ended for another year. The champion was once again crowned and the losers forever forgotten. The party I had just hosted was winding down. Almost all my friends and neighbors have gone home and I'm stuck cleaning up the mess that we had created through a night of yelling and drinking.

I'm picking up red plastic cups and beer cans littered around my house and slowly make my way upstairs thinking why should there be any trash upstairs?

When I did stumble up the stairs, trash bag in tow, I thought I heard moaning coming from one of the bedrooms. Slowly, I got closer to that door. I paused and put my ear to it and listened. What I heard, I could not believe. I quickly became excited and noticed that my cock had hardened listening to the female voices. I peered through the small crack. The room was pitch black yet I was so fixated on finding out who the two were that I pushed the door more open and stuck my head further into the dark room.

I reached into the room and fumbled around the wall for the light switch, finally flicking it making the room bright with light. What I saw left me completely awe shocked. Two beautiful female

bodies sitting up in the middle of the bed, their legs and bodies intertwined.

Instantly I recognized the two of them. The blonde was Penny, a well known lady in the neighborhood. The other, whom Penny was embracing, was Phoebe, another neighbor who we all thought was a quite conservative. Her hair was black and curly, her breasts were less developed than Penny's but equally as perky and hot. I stood there watching the two make out and explore each other. My already hard cock began to throb uncontrollably as they continued for another moment with the lights on, almost as they didn't notice.

Then I heard one yell at me. "Bob! What are you doing? Leave us alone!" Not knowing what to do, I replied, "I'm just cleaning up." I raised the trash bag full of beer cans and pizza boxes as if to validate my actions. By now, Phoebe was completely mortified. She grabbed a sheet and covered her bare breasts. I slowly started towards a stack of empty plastic cups and beer cans at the foot of the bed, all the while my eyes on Penny's ample breasts and Phoebe's tight ass. The two ladies sat up on the bed, arms crossed, waiting for my departure.

I noticed a couple empty water bottles on night stand next to the bed. I slinked over to pick them

up. "I'll turn the light off again." I said sadly, knowing this little adventure would soon be over. As I flicked the switch I stood in the doorway, slumped over like I just lost my best friend. "Okay, Bob. Come back and play with us." I heard Penny say. "Really?" I asked. No reply, so I dropped the bag, ran into the bathroom to wash up and flew back into the bedroom. This remark only made Phoebe more apprehensive than she already was. But after a reassuring look from her lesbian partner, she lowered the sheet covering her fine boobs and gave a wry smile. She crawled across the bed on all fours towards me and my hard dick.

My throbbing member shot into the air as Penny pulled my boxers down and began to gently stroke the whole eight inches. She pressed her delicious lips against mine, and we started swapping spit. Our tongues rubbed against each other's. I found myself face-to-face with Penny's full boobs. She had puffy, pink nipples of perfect size and shape, and I couldn't help but place my mouth on one. She moaned with pleasure as my increasing erection pressed against her body.

"I need to see this cock of yours!" She said as she pushed me back once again and went down on me. Before I knew it, she was stroking my dick with both hands. "I never knew it'd be this big, Bob. I've never seen a cock so large!" She exclaimed with pure sexual excitement. She placed her lips on the head before opening her mouth and putting it in her mouth. I moaned softly with pleasure as her

saliva covered my dick and as she started sucking, she continued to stroke vigorously with both hands.

She did this for a good amount of time before she couldn't handle it anymore. Phoebe crawled to us and took over. Her mouth was hot and she seemed a little awkward at sucking dick, but I didn't mind.

After a few minutes, she positioned herself above my cock and Penny held it as Phoebe sat down on it.

"I've never actually had a cock so big in me, so please be gentle." She gasped with pleasure as shock traveled through her body. Her insides were unbelievably wet and tight, squeezing my dick with every bounce she took. After a while, she twisted around in a reverse cowgirl and bounced on my penis some more, her perfectly round, firm ass hovering there in front of me. I couldn't help but playfully slap it.

While she worked my cock, Penny was busy licking up and down Phoebe's wet pussy lips. And then an idea popped into Penny's head; she went right for Phoebe's butt-hole. She licked it in circles dipping her tongue in and out of the tight hole. Phoebe responded by shooting her butt higher into the air as she rolled her own tongue around the purple head of my dick. I felt the inevitable feeling of a orgasm coming on. "Slow it down, Phoe-

be. I have to save something for Penny." I said. This only made her go faster. I pushed her off before I came and immediately I felt Penny's hot mouth around my dick.

Phoebe headed straight for my balls and took them in her mouth. I looked down to behold two beautiful women working my cock and balls. It was almost like watching a porn movies, but with

real chicks. She rolled her tongue faster and faster, and squeezed my shaft harder and harder as it became increasingly difficult to hold my load in. Phoebe moved her focus from my balls to my asshole. Then, another big surprise came, Phoebe took her middle finger and plunged it into my anus as it was already soaked with saliva. This image took me way over the edge as my face turned red and my toes curled, I shot a hot huge load straight into Penny's mouth.

Phoebe moved over to Penny and they swapped my jizz. Some drops flowed out of the corner of Penny's

lips and Phoebe was quick to lick it up. She then reached over for a swig of beer from a bottle on the night stand. She passed it to Penny who also gulped down a shot. Then Penny pushed me over to the edge of the bed. "You can stay and watch, but don't touch. Okay?" I agreed and laid back as I saw an incredibly erotic site unfold inches from me. #### YOUR LOCAL PARK AND JERK

Hello, My name is Milo and I'm a thirty-three year old student going to night classes at the nearby community college. The economy

made me lose my job, so I've been trying to reinvent myself. So now I'm in night school in a finance class. The class met at 7 pm and was pretty small. There were about ten students total, so everyone knew one another. And that is when I met Louise. She was about 40 years old but still had her looks and brains. She had lost her job and was looking to find another way to make a living.

Three weeks into the course I still had not really spoken to her. One night she walked in class late with high-heels and a tight little black dress. I almost came right there and fantasized about her the rest of the class. In the next class we somehow began talking and shared stories about our

past jobs and past spouses. Over the next few days we kept chatting in class, on breaks, and after class. She eventually told me she was married, but her husband was very boring and she even cheated on him two years ago. I didn't know if that was a cue but I let it drop, for the moment.

Then, one Wednesday night I asked her if she would consider going for drinks with me after class. She quickly told me that

she would love to go. I asked her about her husband, and she told me that he would be back in a month, so now is best.

We were sitting at the restaurant bar. We each had three drinks in her and began going on about pretty much everything. She began massaging and rubbing my back lightly as we talked. She rubbed her hands against my arms and gently began brushing her finger tips against my hair and neck. This turned me on and I wasted no time in gently returning the favor. I positioned myself to be able to look her in the eyes when she gave me a light smile and moved her lips in my direction. Our lips touched slowly and we began making out. I suggested we go out to the car and quickly left the bar.

She told me that we could not have sex. She promised her husband. But she knew how excited I was and she would gladly jerk me off. I leaned against the car and she unzipped my pants. She leaned into me and pulled out my throbbing cock. I felt the coolness of the air and the warmth of her hand. She deftly moved her hand up and down my cock, tightening at just the right time and playing with the head on every other stroke. I pulled my balls out and she began rubbing and pinching them. I threw my head back and let my groin take it all in. I came right there and watched as the squirt landed six feet away. I promised to return the favor.

— Randall, in a dimly lit parking lot

After a long day, Lauro and I decide to have an evening alone together. I'll be in my best lingerie waiting for my man. He won't need much to get in the mood after he sees me tonight. At first we'll be very tender with each other and take it slow when making love. I especially love it when he fucks me in my tight asshole. I'm primed and ready for his big cock in it.

In the background, there's a brick wall with a sign that says "18 CAPTAIN" and a clock. A bar counter is visible with various items on it.

# Sabrina & Kelly it's just another day at the pub

As these two beautiful and sexy young gals are out on the town, they can't resist their mutual attraction to one another. And why would they? Both are so cute and are always ready for a good time. Each knows what the other likes and does it with pleasure, and a toy or two. They take time with their tongues on each others sweet pussies. We won't spoil it for you, so let's just say these two have no problem getting it on.

*Erika threw off the covers and knelt between my legs and took my semi-hard shaft into her mouth. It only took me a few seconds to realize Erika was no slouch at this.*

know, she wants to wake up with me in bed with her, so we can enjoy each other again. Do you think I should? Would you mind if I fucked her again?"

With her voice back down to a whisper and her mouth next to my ear she says. "We'll talk about that later."

Erika's fingers started roaming across my arms and it began to have an effect on me. I was starting to get turned on by it all. Her other hand was gently rubbing across my stomach in small little circles. "So what do you think about fucking roommates?" she asked, as she let her fingers glide down across my

limp member, urging it into new life.

"We could fix that, but only if you don't tell anybody." I offered. She took another quick drink of wine from the bottle, grabbed my hand and dragged me along. Without trying to be quiet she opened the guest bedroom door and pulled me in, shutting the door behind us. "Devin is in here," I said.

"She always takes a sleeping pill. Add in the wine from earlier tonight and she'll be asleep all night long. Now get off what little clothes you have left and get in bed." Erika demanded. I couldn't believe what I was hearing from this little sexpot. Being too drunk to protest too much, I did as she directed and got on my back next to her sleeping roomie. Erika threw off the covers and knelt between my legs and took my semi-hard shaft into her mouth. It only took me a few seconds to realize Erika was no slouch at this. As she sucked my dick, she slid her tongue up and down the underside of my shaft. Sometimes she would scrape her teeth from top to bottom and back, ending with a hard suck on the head of my penis while she stroked me with her hand.

It wasn't too many minutes before I realized that she was intending on taking me all the way like this. "If you keep this up and I won't be able to hold it." I said.

Pulling off long enough to talk she said, "I don't want you to hold it. Just let it cum Randall." She began to deep throat me to the point of no return. I grabbed her head with my hands and held her down on me. I only gave her three bursts but it felt wonderful. I could only imagine what it would be like if I had a full load of cum to give her. I let her head go free. That was incredible. She sat up and smiled at me, wiping off some cum that oozed out of her mouth.

"Your turn," she said as she swapped places with me. She was beautiful naked. I leaned down and kissed Erika on the mouth. I could taste the salty-sweet flavor of my cum, even more so when Erika pushed her tongue across my lower lip. I sucked on it as she toyed with me, moving her tongue in and out of my mouth in a mock fucking manner. Kissing my way down her neck and chest, I made my way to her breasts. Her nipples were firm but not hard yet. I would see they got that way later when I fucked her.

Moving downward, my kisses came to her silky patch. As I licked and kissed all around her pussy, I stroked the insides of her thighs with my fingernails. I wet my middle finger and without stopping my licking of her pussy, slipped my finger into her hole. She was wet and didn't need anything extra from me. Curling my finger up and back, I massaged the inside of her vagina for a couple of minutes. She continued to moan and plead for more. I took two fingers and began to push it in and out, just like I was fucking her. She had her hands all over me while she rocked her hips in time with my hand movements.

"I'm cumming," she exclaimed, arching her back as

# confusion reigns supreme

My ex-wife just turned 39 a few weeks ago but we had lost our sexual passion several years ago and got divorced, but our kids have kept us together. And those same kids have been the source of good times and great times. Our 20 year old daughter, Kaylynn, was home for her summer vacation from college. So was our neighbor's daughter, Erika, and their BFF Devin. The three went to the same college and were also best of friends having grown up together.

Tonight Erika and Devin were sleeping over, something the two of them do often. Once at our house, the next at Erika's, and then Devin's. Personally, I don't think they're gay with each other, but I choose not to ask. We had a nice dinner and now, unable to sleep, about midnight, I came downstairs to clean up. As I was putting a half-empty bottle of wine back into the fridge, Erika walked in with some of the juice glasses the girls had used earlier. Putting them into the sink and saying hello to me, she took another glass and poured some wine into it. "Erika, isn't it kinda late for that?" I asked her.

Erika was hot. At five foot five inches, this twenty-year-old had dyed her dark hair lighter and her pearly white skin glowed in the low kitchen light. Her breasts were full enough and I found myself staring. "This glass is for you," Erika replied.

"I've had too much already tonight. That's probably why I can't sleep." I told her.

"I know, I couldn't sleep either, Devin is out like a light," she said. "Randall, I've been wanting to ask you some things, so are you drunk enough to answer my questions truthfully?" she asked.

"Just don't ask something you really don't want to know the truth about." I said.

"Have you and Devin gotten together?" she asked without hesitation.

"Do you mean, have we fucked? No but, OK, I kissed

*I didn't know what to do, so I did them both*

her. But you can't tell anyone. I could get in a lot of trouble."

"I know she wants you. Even though she hasn't come right out and said it to me, I know Devin and I know she would like you to fuck her." Erika said. "She's been frustrated ever since her boyfriend split with her and she'll stay frustrated rather than confess she's interested in having sex again." she confessed. "Take another drink, Randall. Drink up."

As a freshly poured glass touched my lips, I saw Erika tip the bottle up for a quick sip. I gulped mine down. "Are you joining me now?" She poured me another. "I think you're way ahead of me."

"OK, I think I'll probably tell you the truth now. What do you really want to know?" I asked.

"What did you do with Devin?" Erika asked again.

"It's a secret," I whispered. Erika stepped up close to me and put her mouth next to my ear. "

What's a secret?" she whispered back.

"That I fucked her, but she made me promise not to tell anyone, especially you. I wasn't supposed to tell." I mumbled. "Oh well. You won't tell will you?"

"Did you enjoy it Randall? Did you enjoy fucking my best friend, you asshole?" she asked with a tone of anger in her voice. But I let the anger just slide on over me.

"Oh yes, she was... wonderful. Yes I did enjoy it. You

her orgasm swept over her. I halted my hand motions and pulled my fingers out of her pussy. But a moment later I replaced it with my hard shaft. Erika muffled her yell as I entered her pussy and pounded her hard for several minutes. Nearly out of breath, I leaned down so that my body rested on her chest, rocking my hips as fast as I could. Erika gripped my arms with her hands as I brought her to another climax just in time for my own. I covered her mouth with my kisses as we both slowly came down from our respective climaxes. After catching our breath, I slid out and rolled onto my back, now caught between her and her sleeping friend.

I must have fallen asleep as I don't remember anything else until I woke up on my right side, curled up behind Devin. I turned my head and saw that Erika was snuggled up against my back, sound asleep. I truly was caught between two beautiful females. It was kind of a turn on and my body responded. I slipped my hand underneath Devin's t-shirt and began to gently massage her breasts. I rotated my hips, gently guiding my erection between her legs. Still asleep, she rolled slightly away from me, more onto her stomach. I took this opportunity and rolled with her onto my knees, spreading her legs apart. I reached around her and with one hand pulled her panties down while the other guided my cock into her pussy. It only took a couple of thrusts to wake her up. I guess the sleeping pills and wine had worn off.

She was still tipped slightly to one side so she didn't notice her nude sleeping roomie in bed with us. "So you came," she said, sounding pleasantly surprised. "Not yet," I replied jokingly, "but soon." While I fucked her from behind, I reached around and stroked her clit. I kept this up for a few minutes. "Oh Randall, fuck me baby, fuck me hard." And I did, too.

"You are so fucking hot. I can't think of anything I would rather do than fuck you. Well except maybe one thing." I whispered.

"What would you rather do than fuck me?" she cooed.

"Fuck you with Erika in bed with us. Turn to your right," I directed her, not slowing down my thrusting.

"I'm cumming. Pound me, you son-of-a-bitch." she said. I took both hands and grabbed her hips tight. As I thrust forward, I pulled her back into me, my stomach pounding hard against her ass cheeks. When

I felt her pussy walls grip down on me, I pushed in hard one last time and delivered a full load of cum somewhere deep in her pussy.

I don't know when Erika woke up but she was staring at us. She got up, grabbed her panties off the floor and left, shutting the door behind her. "She saw us. Wasn't she asleep when you came in?" asked Devin.

"Yes, she was." I lied. "I tried not to wake her but you

are just too much for me to be quiet like that. Erika told me last night that you and Jake have split. All I have to say is that man was a fool to let someone like you out of his bed." I added.

"Oh, you're so nice," Devin said and followed by kissing me on the mouth. "But we better get cleaned up and get you out of here. I hope we have a chance of getting together again sometime soon. I mean just you and me... without Erika." she said. "You couldn't handle her anyway." she said laughing.

"Probably not, I can hardly handle you," I said as I grabbed my pajama bottoms and headed downstairs to get dressed. I then cooked up a big breakfast for everyone before the day got any older. Now please don't be judgemental. I'm sure any man who's been without their spouse for years and thrust into a scene like this would most probably do the same thing. And if not, they would just dream about it.

hurry up  
and replace  
this butt  
plug!

I've never modeled before in a situation like this. Letting someone photo me when I have a plug or cock in my ass is something totally new. But I'm an adventurous gal, and besides, I love having my butt filled. I was nervous for this shoot, I mean almost shaking on the bed. But by the time I got the video done, I was feeling really good. I hope that you enjoy our time together.
